

AIGUILLES À PERFORER

PERFORATING NEEDLES

ГОЛКИ ДЛЯ ПЕРФОРАЦІЇ

ИГОЛКИ ДЛЯ ПЕРФОРАЦИИ

AGUJAS DE PERFORAR

Nuestras "Agujas de Perforar" están fabricadas con aceros de alta calidad y verificado cada proceso de fabricación. Todo ello unido a nuestra larga experiencia "desde 1934" nos permiten garantizar su rendimiento. Esperamos encuentren el modelo que necesitan, de no ser así, traten de elegir el más parecido posible, si no lo encuentran podemos fabricarlo especialmente para ustedes. Si están interesados en alguna máquina soliciten catálogo detallado. Nos reservamos el derecho de cualquier modificación.

Our "Perforating Needles" are manufactured with high quality steel and each process of their manufacture is tested. All this, together with our great experience "since 1934" allows us to guarantee their performance. We hope you find the models you need, otherwise, try to find the most suitable substitute. As a last resort if you can't find the required model we can manufacture it especially for you. If you are interested on any machine, ask us for a detailed brochure. We reserve the right to whatever modification.

Nos "Aiguilles à Perforer" sont fabriquées en acier de haute qualité, et chaque procés de leur fabrication est verifié. Tout celà, uni à notre grande expérience "depuis 1934" nous permet de garantir leur efficacité. Nous espérons que vous rencontrerez les modeles dont vous avez besoin d'autre main vous pouvez trouvez une substituée qui vous satisfait. Dans le cas extrême de ne trouver pas le modele désiré, nous pouvons vous le fabriquer. Si vous êtes intéressé à nos machines, demandez notre brochure détaillée. Nous nous reservons le droit de toute modification.
